

Next Meeting of AWG May 6, 2009

As many of you are aware, the Province has committed the capital funds requested in the Toronto Lands Corporation Report. At the TDSB meeting on April 23rd, the Trustees approved that upon receipt of the capital funding from the province, the TDSB will proceed to:

- Keep 13 pools open and operational
- Defer decision on the remaining 26 pools to the June 2009 Board meeting while the search continues for alternative funding
- Work with TLC and the Toronto Foundation for Student Success (TFSS) or another suitable charitable foundation to assist in raising funds for the pool
- Give TLC oversight of the provincial capital funds

We would like to re-convene the Aquatic Working Group to discuss next steps as to where we go from here. Please join us on:
